Length 00:30 min

Watch this video to find out just how much a single Espar Airtronic bunk heater can save you every day, every month, every year.

VIDEO TRANSCRIPT:

[Happy music in the background, blue screen]

“\$3,78 every hour,

\$38,21 every night,

\$191,04 every week,

\$803,96 every month,

\$5,691.40.

That’s how much one Espar bunk heater saves me every year.

And I have 150 trucks. Do the math.

\$853,710.00

How many trucks are in your fleet?”
